

Taking it Deeper - Discussion notes  
Making Connections - One table at a time  
Acts 2.42-47  
AGIF November 25

*Sunday summary - Much of Jesus' ministry was at meals. It's the same today. Embrace the work of God at your table with family & friends.*

Intro question: What was a quirky thing that happened at your table growing up?

What affect does eating together have on your relationship with someone?  
Why do you think that is true?

How do you feel when you eat alone?

How do you feel when someone invites you to eat with them?

Read Acts 2.42-47

According to verse 42, what were the 4 practices of the church at this time?  
Notice also verse 46. What can that look like for us?

Read Deuteronomy 6.4-9

Have you ever incorporated Bible reading or prayer in your family mealtimes or bedtime routine?

How did you do it?

Is there something you'd like to try at your table to create an environment for God to work? Some suggestions

- invite someone you don't know to share a meal
- have prayer or bible reading at the end of the meal
- everyone say something they are thankful for from the day

Prayer suggestion:

Dedicate your mealtimes to God and his work through you to others.

If you would appreciate further support in this area, consider joining AGIF's 30x30 program. This initiative encourages us to host a meal inviting 'unchurched' people into your home. It can be 1 person or more.
